Go on a City Scavenger Hunt

Explore the hidden corners of Seattle on this urban art hunt for kids

BY GEMMA ALEXANDER

PUBLISHED ON: OCTOBER 30, 2018

Art museums are a lot more welcoming to children than they used to be, but for lots of kids (and parents, too) exploring a museum is not quite as much fun as exploring the outdoors. Fortunately, art doesn't always live inside, especially in Seattle. Take the kids on an urban art hunt that'll have them discovering, climbing and snapping photos in hidden corners all around the city.
